

God Protects Us

Today's Bible story is from Exodus 1:8 - 2:10.

Pharaoh was the king of Egypt. He did not like God's people, so he made them work very hard as his slaves.

When baby Moses was born, his mother wanted to save him from Pharaoh. She put him in a basket floating in the river.

Moses' sister Miriam followed the basket to make sure the baby was safe. Soon a princess found the basket and baby in the river.

The princess was Pharaoh's daughter. She raised Moses as her own son. Moses grew up and became a great leader of God's people!
