

Don't Hurt Each Other

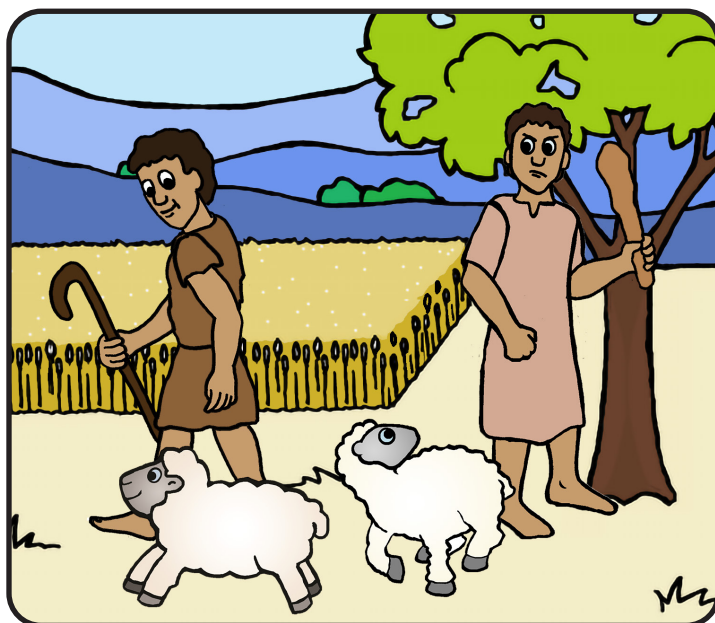

Today's Bible Story is from Genesis 4:1-16

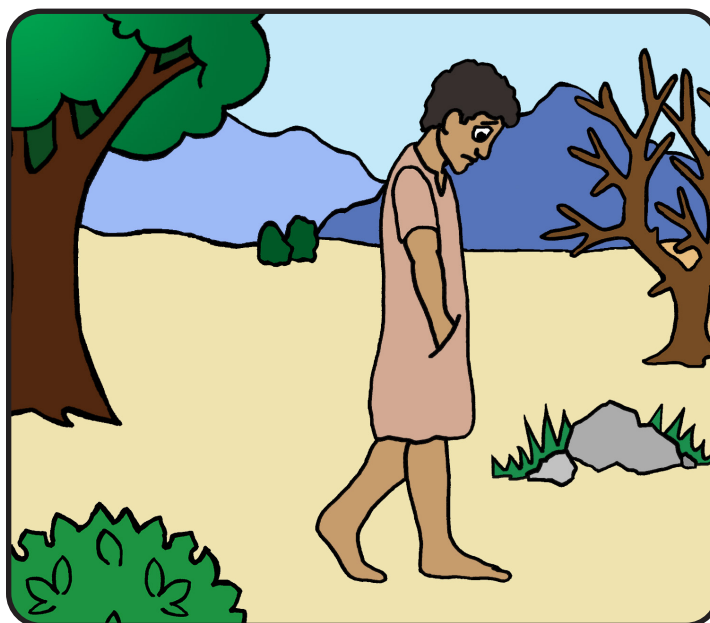

Cain and Abel were brothers. They had different jobs. Cain worked in the fields. Abel took care of the sheep.

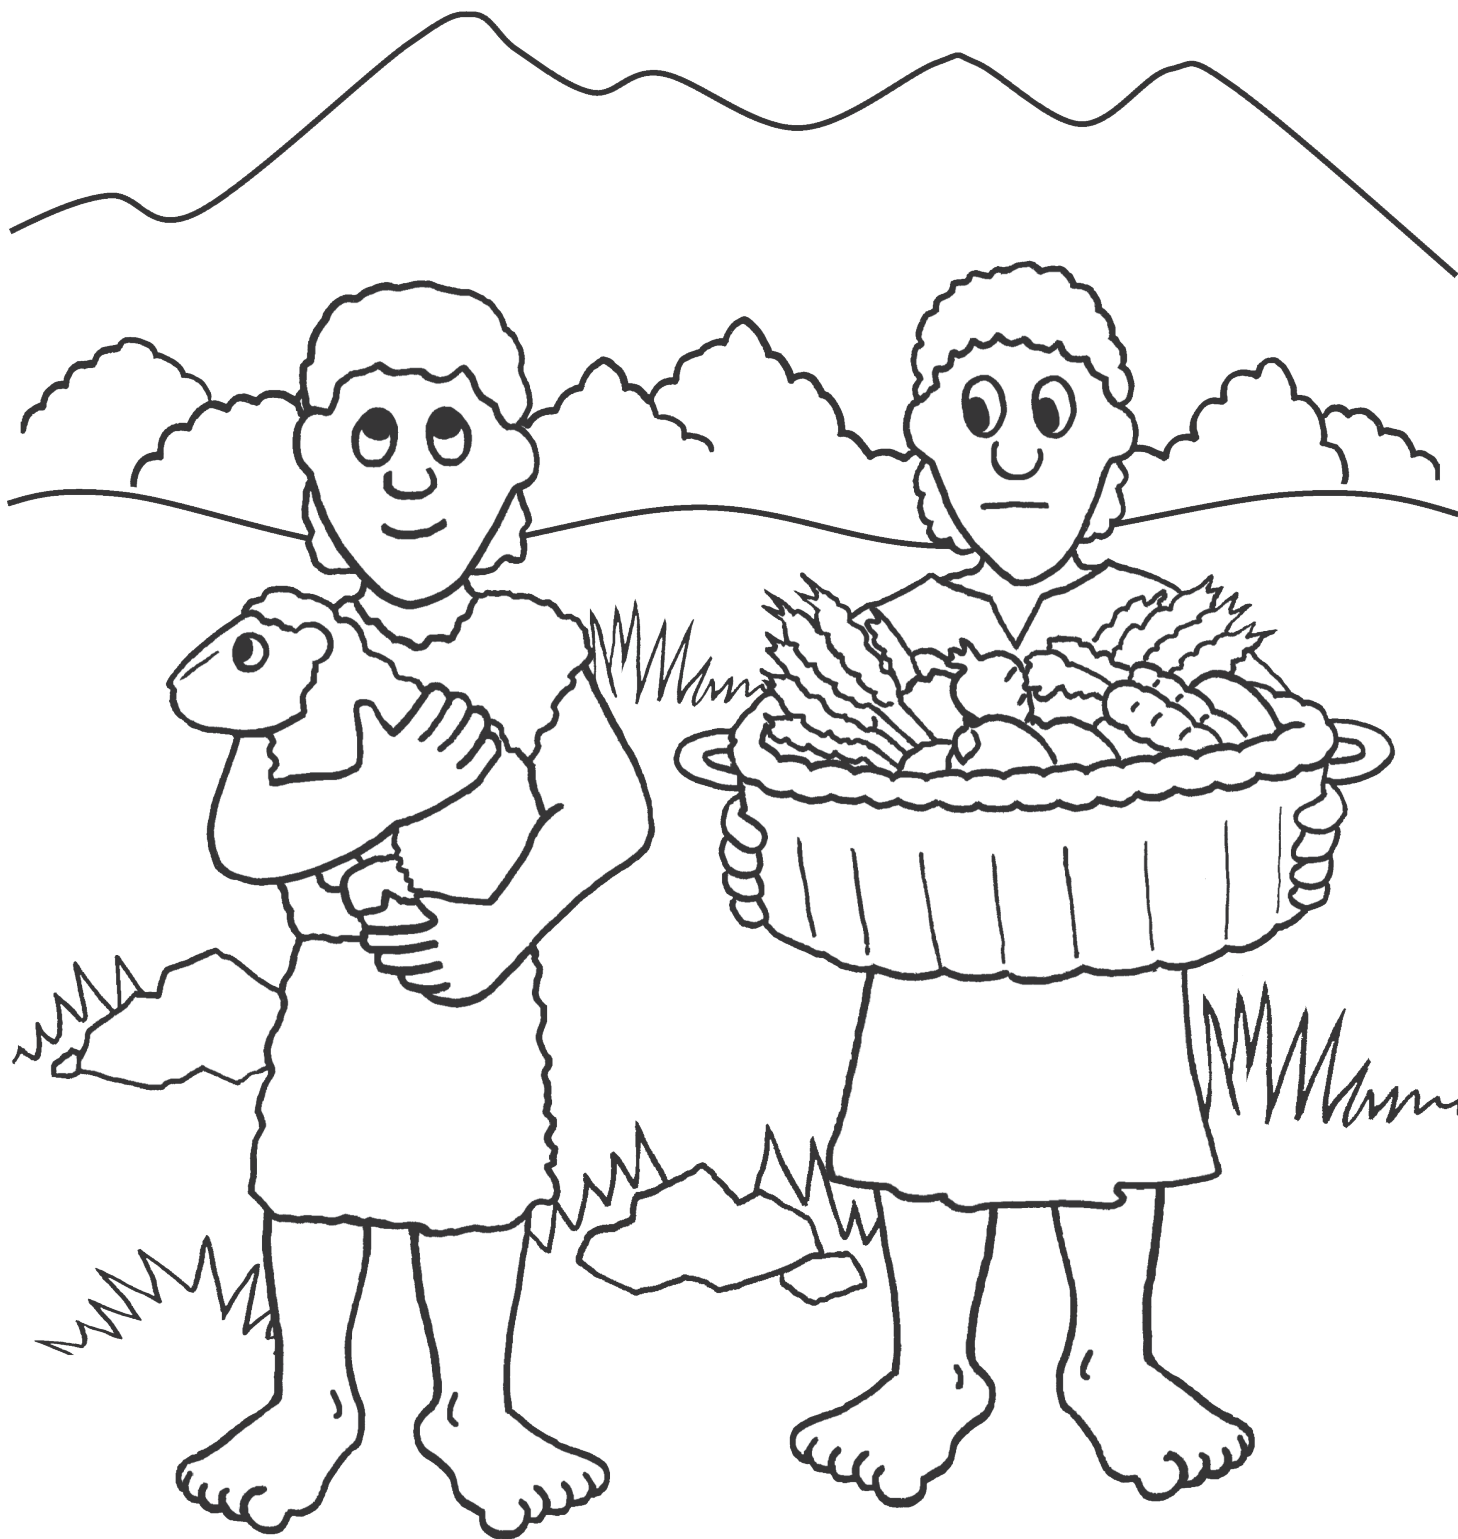

One day, both brothers brought an offering to God. Cain saw that God liked Abel's gift more than his. This made Cain angry.

Cain came up with a very bad idea. He got Abel to come with him to the field. Then, Cain killed Abel.

Because of what he had done, Cain had to go away. But even then, God was kind to him. God marked Cain so no one would harm him.

Cain was jealous of his brother Abel.
