

God Fights for Us

Today's Bible Story is from Judges 7:1-23

Many men came to join Gideon's army — thirty-two thousand of them, in fact! But God said this army was too big.

So Gideon said that those who were afraid to fight could go home. Many of them left. Now the army was much smaller.

Gideon divided his small army into three groups. Then, he gave each man a trumpet and a clay jar with a torch inside it.

Gideon surprised the enemy with trumpets and torches. The bad guys were so scared, they ran away! God won the battle!

Gideon surprised his enemies.
