

We Trust in God

Today's Bible Story is from Daniel 3:1, 4-7, 8-28

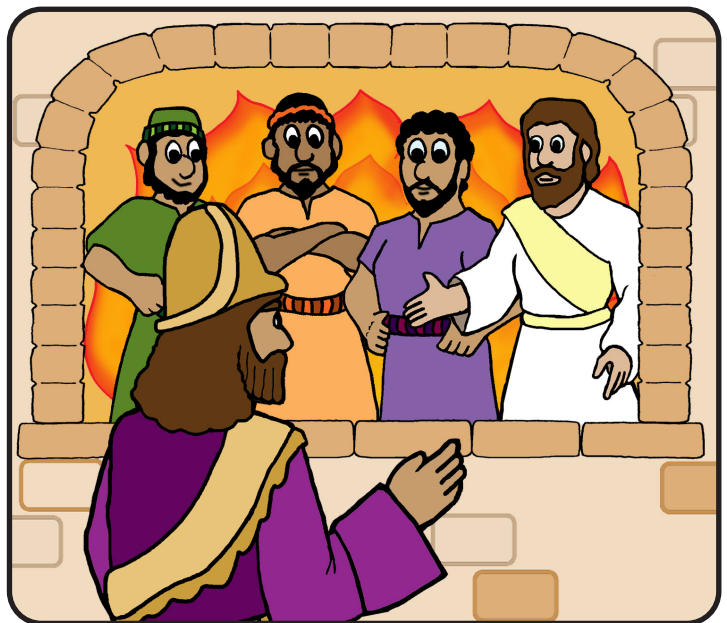

The king said that everyone had to bow down to his new statue. Whoever did not would be thrown into a fiery furnace!

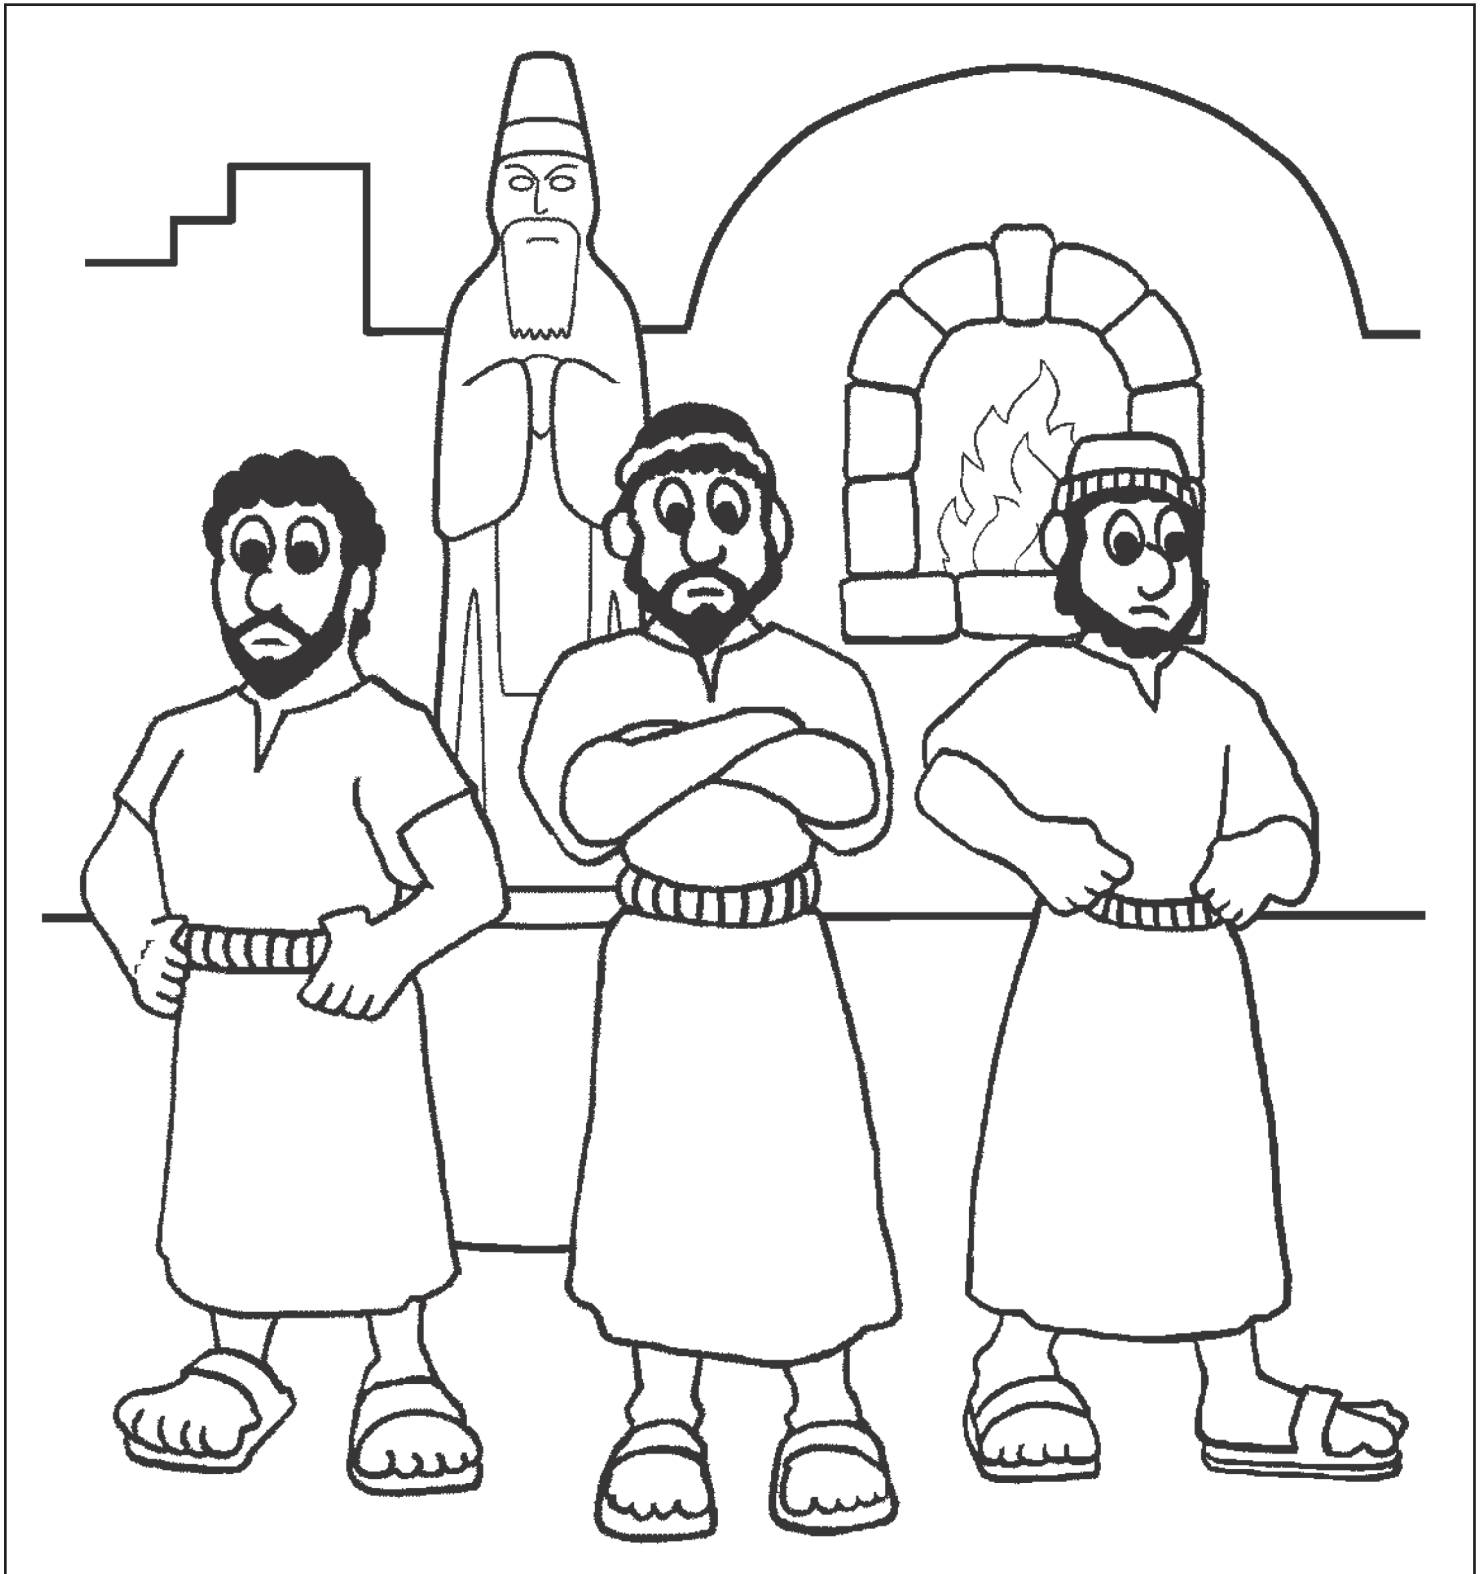

When he heard that three men did not follow his rule, the king got mad. He would punish anyone who disobeyed him.

"If you throw us into that hot place, God can save us," the men said. "And even if he does not, we still will not bow down!"

The king saw that the men were not hurt. He let them out of the hot furnace. "Great is your God who kept you safe!" He said.

They trusted in God no matter what.
