

Jesus Was Baptized

Today's Bible story is from John 1:19-34.

John the Baptist lived outside. He wore animal furs and ate honey and even bugs! But a lot of people came to see him there.

John baptized people in the Jordan River. He told them to tell God they were sorry for their sins. Then they could be forgiven.

One day, Jesus came to see John. "Here is the Lamb of God who takes away the sins of the world!" John said.

John knew that Jesus was unlike any other person in the world. "I tell you," John said, "this man is the Son of God!"

John baptized Jesus in the Jordan River.
