

God Cares for Us

Today's Bible Story is from 1 Kings 17:1-16

Elijah was a servant of God. But his job was not always easy. One day, Elijah had to tell a bad king there would be no rain.

Elijah lived alone in hiding for some time. But then God led him to a new town. There he met a poor widow gathering sticks.

Elijah asked the widow for water and bread. She and her son were starving. But she trusted God and shared what she had.

Elijah told the widow that God would take care of her. And God did! Her jug of oil and jar of flour stayed full and did not run out.

Elijah told the widow that God would take care of her.
