

We Follow Jesus

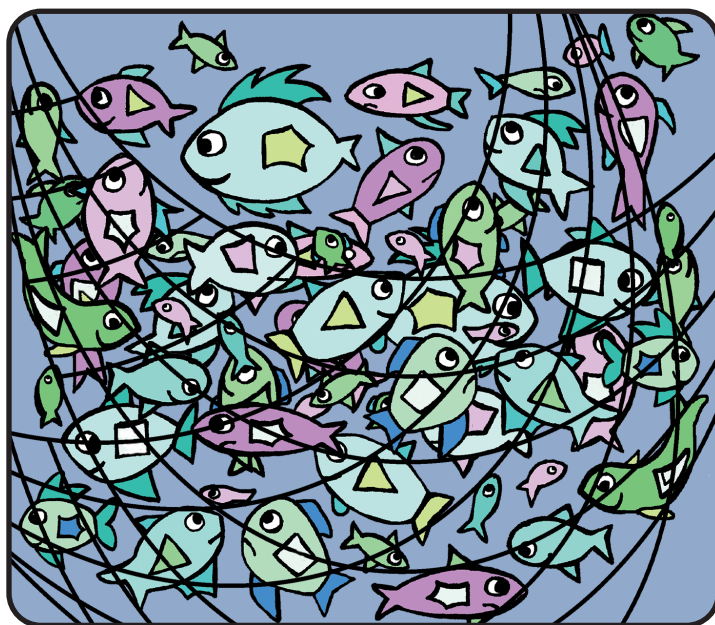

Today's Bible story is from Luke 5:1-11

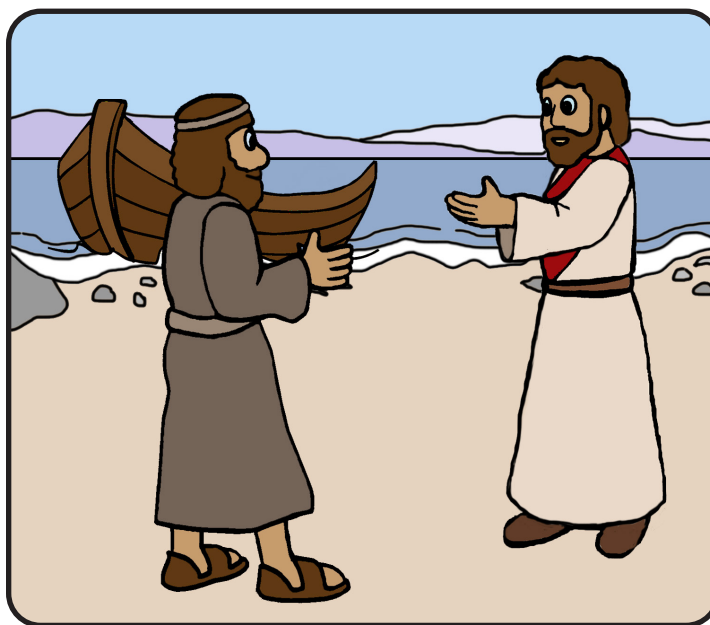

Jesus was preaching outside. The crowd got so big that he climbed into a boat. That way, he could preach to them from the water.

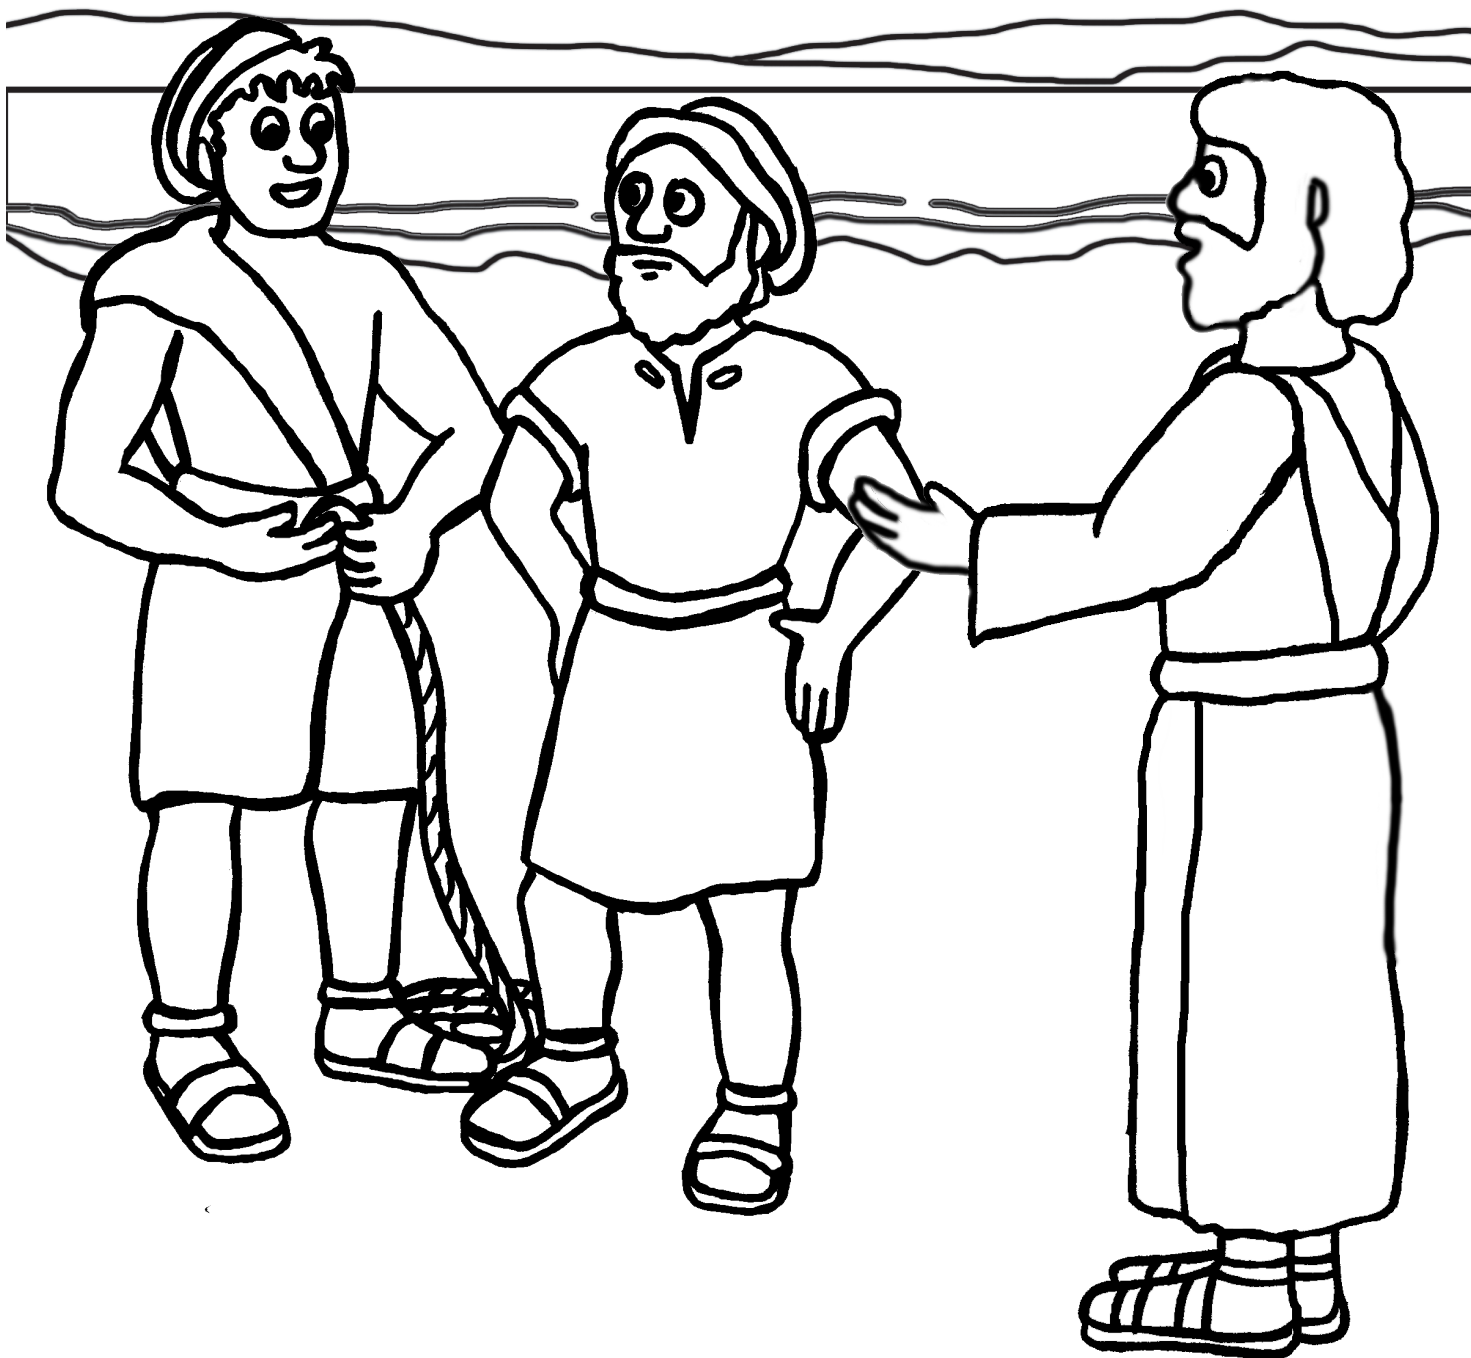

When he was done, Jesus told the fishermen to throw their nets into the water to catch some fish. But they were really tired.

"We fished all night long and caught nothing," Peter said. But he let down the nets again. Then he looked in the water.

So many fish were filling the nets that the boat was almost sinking! After this, the fishermen left their nets and followed Jesus.

The disciples left their nets and followed Jesus.
