Message When Jesus crossed the sea again, he got to the shore and there was a big crowd of people waiting for him. They were all around him, wanting to hear what he said and if he would help them. Many were sick or hurt and wanted to be healed. One man from the Jewish church saw Jesus and fell down on his knees. His name was Jairus and he said to Jesus, “My little girl is very sick. She is dying. Please, come and put your hands on her so she can be better and live.” The little girl was 12 years old. What do you think Jesus did? Jesus went with him to his house to see his little girl. What about all the people who were standing around him? What do you think they did? They followed Jesus to Jairus’ house. When they got close, some people there said to Jairus, “It’s too late. Your little girl has died. Don’t bother Jesus.” But, Jesus heard what the person said to Jairus. He told them, “Don’t be afraid. Believe.” Then Jesus went the rest of the way to the house with his disciples, Peter and James and Jesus’ brother John. People were loudly crying out in sadness and pain. Jesus said, “Why are you making all this noise and crying? The little girl isn’t dead, she’s just sleeping.” The people laughed at him and thought he was crazy. The little girl was dead. Jesus sent all those people out of the house. He went over to the little girl, picked up her hand, and said, “Little girl, get up now.” You know what happened? The little girl got up and started walking around and Jesus told them to give her something to eat. Do you know anyone who can make a dead person alive again? Nope. Only God/Jesus can do that. He talks to the wind and the water, he heals people from being sick, and he wakes up people who are dead. HE CAN DO ANYTHING! That’s why we know that we can trust him. He’s JESUS!! Let’s pray.		
Repeat Prayer	Dear Jesus, Only you / can make people alive again. Help us / to always trust you. Thank you for loving us. We love you. Amen.
